

Automotive Repair

Madison Capital has the right financing program for auto repair companies. Why use valuable funds for the things you need to keep your business running efficiently? Financing helps you acquire what you need to operate your business without tying up your capital.

Join the many automotive service firms making the most of our financing options. Lease financing makes sense in a number of ways. It can help you:

- Conserve cash
- Acquire the latest technology
- Keep monthly payments low
- Avoid obsolescence
- Gain potential tax benefits
- Ensure fast turnaround
- Take advantage of fixed rate financing and terms up to 60 months
- Spread the cost of expensive equipment over its useful life

Madison Capital has been serving the equipment and vehicle financing needs of the auto repair industry for over 40 years. Our clients include car dealerships, repair centers, and body shops all over the country.

To find out how we can work together to keep your business thriving, please contact us.

Madison Capital will help you acquire what you need to expand your company. And, we make it possible with little or no down payment. What can we help you finance while preserving current capital? Here are some examples:

- Alignment Machines
- Floor-mounted Lifts
- Alignment Sensors and Racks
- Brake Lathes
- Tire Changers
- Wheel Balancers
- Computer Equipment
- Security Systems
- Tow Trucks
- Engine Analyzers
- Shuttle Vehicles
- Scissor Lifts
