

Healthcare

Madison Capital has the right financing program for healthcare providers. Why use valuable funds for the things you need to keep your healthcare business operating efficiently? Financing helps you acquire what you need to run your business without tying up your capital.

Join the many healthcare companies making the most of our financing options. Lease financing makes sense in a number of ways. It can help you:

- Acquire state of the art equipment
- Conserve cash
- Keep monthly payments low
- Gain potential tax benefits
- Ensure fast turnaround
- Take advantage of fixed rate financing and terms up to 60 months
- Spread the cost of expensive equipment over its useful life

Madison Capital has been serving the equipment and vehicle financing needs of the healthcare industry for over 40 years. Our clients include clinics, hospitals, nursing homes, and medical practices all over the US and Puerto Rico.

To find out how we can work together to keep your business thriving, please contact us.

Madison Capital will help you acquire what you need to start or grow your organization or practice. And, we make it possible with little or no down payment. What can we help you finance while preserving current capital? Here are some examples:

- Imaging Equipment
- Surgical Lasers
- Emergency and Non-Emergency Transport Vehicles
- Home Healthcare Equipment
- Beds
- Diagnostic Equipment
- Waiting Room Furniture
- Exam Room Furnishings
- Monitoring Systems
- Assisted Living Furnishings
- Dental Equipment
- Optometry Equipment
