

Information Technology

Madison Capital has the right financing program for information technology. Why use valuable funds for the things you need to keep your IT equipment state of the art? Financing helps you acquire what you need to run your business without tying up your capital.

Join the many firms making the most of our IT financing options. Financing makes sense in a number of ways. It can help you:

- Conserve cash
- Acquire the latest technology
- Keep monthly payments low
- Avoid obsolescence
- Gain potential tax benefits
- Ensure fast turnaround
- Take advantage of fixed rate financing and terms up to 60 months
- Spread the cost of expensive equipment over its useful life

Madison Capital has been serving the equipment and vehicle financing needs of computer and IT dependent firms for over 30 years. Our clients include data management, networking, hardware and software providers as well as the companies they serve.

To find out how we can work together to keep your business thriving, please contact us.

Madison Capital will help you acquire what you need to start or grow your company. And, we make it possible with little or no down payment. What can we help you finance while preserving current capital? Here are some examples:

- Rack Mount Servers
- Data Room Equipment
- Network Operation Equipment
- Desktops / Laptops
- Security
- Backup Systems
- Battery Systems
- Emergency Generators
- Servers OS
- Workstations / Modular Furniture
- Software
